COMPONENTI / COMPONENTS

	Codice / Code	Descrizione / Description	Q.tà / Q.ty
1	20205695	Evaporatore completo / Complete evaporator	1
2	20210167.1	Batteria evaporatrice / Evaporator coil	1
3	20220099	Elettroventola evaporatore completa / Complete evaporator blower	1
4	20220110	Motore per elettroventola evaporatore / Evaporator blower motor	1
5	20235247	Pannello comandi / Control panel	1
6	60670585	Sonda temperatura ambiente / Ambient temperature probe	1
7	202901825R	Copertura evaporatore / Evaporator cover	1
8	20275383	Targhetta pannello comandi / Control panel label	1
9	20299010	Bocchetta aria / Air louver	1
10	60664341	Tappo copertura vite / Screw cover cap	1
11	60670848R	Telecomando / Remote control	1
12	30305372	Condensatore completo / Complete condenser	1
13	30310183	Batteria condensatrice / Condenser coil	1
14	40465123R	Compressore assemblato / Assembled compressor	1
15	40465102	Compressore / Compressor	1
16	40460851	Centralina compressore / Compressor central unit	1
17	606701021	Centralina di controllo / Control central unit	1
18	30340165	Tubo di mandata / Delivery hose	1
19	30340035.1	Tubo sagomato con filtro / Shaped hose with receiver drier	1
20	30340164	Tubo di aspirazione isolato / Insulated suction hose	1
21	30315232	Elettroventola condensatore / Condenser fan	1
22	30330405.1	Copertura condensatore / Condenser cover	1
23	60664344	Tappo superiore copertura vite / Upper screw cover cap	1
24	60664342	Tappo inferiore copertura vite / Lower screw cover cap	1
25	60645234	Raccordo 90° a blocchetto per tubo G8 / 90° block fitting for G8 hose	1
26	60645206	Raccordo 90° per tubo G8 / 90° fitting for G8 hose	1
27	60666063	Fascetta per raccordo / Fitting clamp	1
28	60641092NK	Tubo G8 / G8 hose	1,52 m**
29	60674279	Tubo capillare / Capillary tube	1
30	6066803364	Guarnizione isolante / Insulating tube	2 m**
31	60670519	Guaina corrugata Ø40 / Corrugated sheath Ø40	1,5 m**
32	500153365	Tubo scarico acqua di condensa / Condensate water exhaust pipe	50 cm**
33	60674158*	Prolunga tubi evaporatore / Evaporator hose extension	1
34	20290789	Terminale a 90° per copertura tubi / 90° hose terminal cover	1
35	60654544	Cablaggio di alimentazione / Feeding wiring	1
36	60654572	Cablaggio interno di alimentazione / Internal feeding wiring	1
37	60654574	Cablaggio di alimentazione fra centralina di controllo e centralina compressore Feeding wiring for connection between control central unit and compressor control unit	1
38	60654575	Cablaggio elettroventola evaporatore / Evaporator blower wiring	1
39	60654573	Cablaggio elettroventola condensatore / Condenser fan wiring	1
40	60654537	Cavo con resistenza / Cable with resistor	1
41	60654570	Cablaggio di collegamento fra centralina di controllo e centralina compressore Wiring for connection between control central unit and compressor control unit	1
42	60654549	Cablaggio di collegamento fra compressore e centralina compressore Wiring for connection between compressor and compressor control unit	1
43	60654571	Cablaggio di collegamento fra centralina di controllo e pannello comandi Wiring for connection between control central unit and control panel	1

* Disponibile come optional / Available as optional
